## RICH PRIZE FOR J.R. KEENE.

PETER PAN WINS BELMONT STAKES AND ITS GOLD PLATE.

Superman Finishes Second-T. S. Martin Beats Good and Plenty for Whitney Memorial-Big Holiday Crowd.

New York, May 30.—Between 45,000 and 50,000 persons saw James R. Keene's Peter Pan win the rich Belmont Stakes, with Superman, his stable mate, in second place and Frank Gill third. It was real Decoration Day crowd that attended Belmont Park and the victory was a thoroughly popular one. the Keene pair being held favorite in the betting. Frank Gill was the only one conceded a serious chance to beat the Keene entry and he was at all times a well backed second choice. Paumonok and Hickory both had some following, but neither at tracted much support.

It was the intention of Jimmy Rowe when he sent out both Peter Pan and Superman that the first named would make pace for the Brooklyn Handicar It was no secret that the stable expected Superman to be first at the end. Mountain, who had the leg up on Peter Pan, went into the lead at the of the barrier and it was right there that Notter made his mistake with Frank Gill. He sent the McGinnis colt after this fast leader when there is no doubt but that he would have shown to better advantage had he been rated.

Peter Pan appeared to line at the head of the long stretch and at that stage it appeared as though Frank Gill would surely win. He was ly under Notter's drive and for an instant he headed the Commando colt. It was only for a few strides, though, until Peter Pan came on again with another tine burst of speed. At the same time Superman struck Frank Gill and there was decided interference. All through the last furlong Peter Pan and Superman held Frank Gill perfectly safe, while the other two starters, Paumonok and Hickory, were well beaten, though in the early racing Hickory had gone along very fast. At the end Peter Pan had a margin of one length, while Superman was five lengths before Frank Gill.

After the race the time of 2:153 was hung out. which established a new record for the distance was discovered that Timer Barretto had stopped his watch at the stand, whereas the Belmont finish is several yards further down the stretch. For that reason there was no official time for the running.

There was an unlooked for upset in the running of the Whitney Memorial Steeplechase when Good and Plenty, the top-heavy favorite, could only finish second to T. S. Martin. This same four-year-old met Good and Plenty in the running of the Empire State Steeplechase at Gravesend and on that or sion he was badly beaten. In the Empire State, Dupee had attempted to place him, while today he sent him to the front and made the pace from the flag fall. Good and Plenty went into second place the second turn of the course, but he never threatened the Rainey four-year-old. Four jumps from the finish and while Ray was driving the favorite in an effort to catch the leader, his horse made a very bad landing and lost several lengths. This accident, though, could have had no effect on the result, as T. S. Martin was going away through the last half mile. Good and easily saved second place from Agent. Grandpa while racing fast, came to grief in the back field in the first time around when he went down at the

The Amateur Cup, another feature of the holiday, was won by Master of Craft, with Mr. Court land Smith in the saddle. Barney Schreiber's Jack Atkin took the Claremont Handicap at a liberal price from such good ones as Charles Edward and Suffrage. Laughing Eyes was another long shot

The long established Ladies' Stakes is the main feature of tomorrow's card and with such fast one as Cabochon, Kiamesha, Lord Lovat; Marbles, Joe Nealon, Scallop; Tokalon, Ironsides, Welbourne Court Dress, Adoration, Yankee Girl; Chief Hayes Robador, Topsy Robinson; Grimaldi, Miniota and Marster among the entries to the various races patrons of the track will have high class racing to

## FRONTENAC'S UNCOMMON RECORD.

Frontenac, James Griffin's seven-year-old sprinter by Kingston-Sylva Belle, has a somewhat uncom n racing record. He was not raced as a two-year old, made only two starts as a three-year-old, did win until he was a four-year-old; has never run in a race at a distance longer than seven fur longs and the majority of his races have been at three-quarters of a mile. When the going is right he can be depended upon for a race at that distance around 1:131 or 1:14. Frontenac has never been owned by any other than James Griffin since he be gan his racing career, and that he has proved a investment is attested by the following

#### CONDENSED HISTORY OF THE LADIES' STAKES.

As the longest established American stake for three-year-old fillies, the Ladies' Stakes has been wo for the McDaniels Confederacy when that powerful some very famous mares. Katie Pease won it stable dominated the eastern turf. She was quite the Queen of the turf of her day and among other taces won at four-mile heats over the old Bay District tracks at San Francisco when a four-year-old. Olitipa, Sultana, Ferida and Aella were all excellent racers, but the next really great one after Katie Pease was Miss Woodford, which, in 1883, 1884 and 1885, was invincible so far as her own sex was con ceraed and nearly so against all horses of her day. Firenze, the winner in 1887, was a second edition of Miss Woodford, a great mare up to any distance and weight. Yorkville Belle was also a very high-class In more recent days Blue Girl, Beldame and Perverse were all worthy successors in the equino line of fame to the grand mares singled out for mention. Like the Belmont, the Ladies' was originally a Jerome Park stake and was taken over and maintained by the Westchester Racing Association after Jerome Park was claimed by the city of New York and made a reservoir in its system of water supply

#### Cursus Is Disqualified-Boasberg Buys Cano pian-Tongorder's Fast Three-Quarters.

Toronto, Ont., May 30 .- The Seagram stable cap tured another prize today when Sea Wall galloped home an easy winner in the Stanley Produce stakes. Outside of the King's Plate this is the most valuable of the fixtures offered by the Ontario Jockey Club for horses foaled in Canada. Sea Wall ran coupled with Reine de Saxe as the Seagram entry and was heavily backed at a short price. In the early stages of the race Reine De Saxe and Glimmer fiattered their backers by going to the front and alternating in setting the pace, Sea Wall trailing until straightened out in the homestretch. In the final furlong came with a great burst of speed and, catching the leaders tiring, got up and won, going away. The winner's portion of the stake was \$2,105.

J. Murphy, a beginner, rode two winners dur-ing the afternoon in Boll Weevil and Cursus. The latter came from behind, with a great burst of speed, and just managed to get up in time to beat Suzanne Rocamora out. There was so at the finish and the stewards elected to set Cursus back last and give the race to Suzanne Rocamora. As a further punishment Murphy was su the remainder of the meeting for incompetency

In the steeplechase four of the nine starters came to grief, the favorite, Gold Run, being among those which suffered during the running. The winner turned up in Picktime, which was splendidly ridden by Brazil.

The first run-up of the meeting came after Canop ian won the seventh race. He was entered for \$600 was carried along to \$1,100, at which figure M. Boasberg purchased him. W. Walker, owner of Canopian, retaliated by claiming Warning for \$845

Tongorder's six furlongs in the fifth race in 1:12 flat, marked the fastest performance of the meeting. The Dyment sprinter was in rare form and set a terrific pace all the way, winning by a couple of lengths from Charlie Eastman.

Seven races are on the program for tomorrow and

with Lord Boanerges, Ellicott, Zelina: Canobie Lake Fare, Moliere: Bilberry, Halfeaste, Dutch Girl; Sir Ralph, Tom Dolan, Mark Antony II.; Miss Galety. Herman Johnson, Cloten; Dolinda, Headley, Pica-roon; Fire Fang, Merry George and Crestfallen among entries close contests will probably be the order the day. T. K. Lynch.

## MOUNTAIN THE STAKE RIDER.

George Mountain, the Chicago boy, holds the palm the jockeys for stake winners ridden this When he landed Peter Pan first in the Bel nont Stakes yesterday Mountain scored his thirteenth victory in stakes this year. He rode the rinners of the Tulare, Old Hickory and the City Park Derby at City Park. At Aqueduct he piloted the winners of the Carter Handicap, the Queens County Handicap, the Arverne and the Sterling. At Jamaica he won the Corona and the Dunton. Gravesend his successes were scored in the Preak-ness, Hudson and Parkway. ## SEA WALL WINS WOODBINE FEATURE. DE ARMAN'S DOUBLE AT OAKLAND.

### Cigarlighter's New Track Record-A. Muskoday Wins Handicap-Big Attendance.

Oakland, Cal., May 30 .- Memorial Day's racing at the local track was witnessed by an immense throng of spectators. The card was attractive and with ideal weather conditions produced high-class sport. Four outsiders and two favorites were successful. U. Z. De Arman captured the last two races with Cigarlighter and Optician and is said to have won handsomely over the double. The feature race, the handicap at one mile and fifty yards, was won by Muskoday. Dodge's notorious racing tool was backed with extreme confidence, notwithstanding the presence in the saddle of a novice rider named Rid-A. Muskoday's victory was clean cut and dedespite the crudest saddle work seen here

Fast time prevailed throughout the afternoon Cigarlighter's one mile and seventy yards in 1:43 established a new California record for the distance. William Hawke bought him out of the race for \$2,200, a raise of \$800 over his entered selling price.

Roy Offutt's big string will leave tonight for W. T. Brinkworth's Silverskin is included badly cut down in a recent race, has been destroyed. De Arman calimed Fred Bent for \$1,800. Jockey Fischer was fined \$25 for cutting across in front with Governor Orman at the start of the third race

The official veterinary who examined Gossiper II. has reported to the stewards that the animal is perfectly sound. John Coleman, who generally lays prices on New

York tracks, has decided to try Seattle this summer. Later he will go to Wyoming on a bunting trip. After E. Blum bid Frank Flittner up from \$600 to \$1,000 yesterday J. S. Wood claimed Sun-Mark for \$725. Frank Flittner was retained.

Jockey Phillips was suspended for ten days for running at the barrier with Import, in the first race yesterday. Dr. Rowell is trying to dispose of his norses, as he desires to devote his attention entirely to the string of President Thomas Williams.

An excellent card for a Friday is offered for to norrow and with Andrew B. Cook, Adirondack, El Chihuahua; E. M. Brattain, Water Thrush, Yellow stone; Sachet, Frascuelo, Silver Line; Sahara, Little Joker, Ralph Young; Veterano, Bonar, Sinner Simon Misty's Pride, Sugarmaid and Gemmell likely to be among those sent to the post racing of a order should follow H. Forsland.

## RACE TRAIN JUMPS THE TRACK.

## FAST TIME AT LOUISVILLE.

LIGHT WOOL AND HAUGHTY SET NEW TRACK RECORDS.

Dead Heat for Second Place in the Feature Race-Much Rough Riding-Alvey Signs Jockey Austin.

Louisville, Ky., May 30 .- Spirited contests and fast time characterized the racing at Churchill Downs this afternoon. There was no stake fixture. but Secretary Lyman Davis had prepared an exceptionally good card and it served to attract a large half-holiday crowd. Track records were lowered in two instances and one of these new marks was equaled immediately after its establishment. The first track record to go was Lieutenant Gibson's mark of 1:54 for one mile and an eighth, made in 1900. This Light Wool reduced to 1:53 in the third race. Haughty, in the next race, took a balf second from the previous track record, by running five furlongs in 1:00. R. C. Rann then tied this mark in the fifth race.

The feature race at a mile and an eighth served as a preliminary to the Latonia Derby, and it brought together a much better field than contested in the Kentucky Derby. Light Wool, the winner, had an easy time of it throughout, chiefly because jockey Lee at the start took the colt from an outer position to the inner rail, thereby securing a clean lead, but impeding several others. Light Wool showed a high flight of speed throughout and won as his rider pleased. In the final drive Bottles and Miss Alert were driven desperately, but neither could gain an advantage and they reached the finish The judges made it a dead heat between them for second place. Behind this trio came Redgauntlet, Old Honesty and Mike Sutton. all prospective starters in the Latonia Derby, which is to be run June 10. Wing Ting, which choice, had a rough trip, and in addition she tried to run out on the first turn. She can do much better. Victoria B., a Kentucky Oaks candidate, was the chief sufferer by the interference at the start and will show improvement.

The victory of Moonlight Murphy in the second race at 75 to 1 was brought about by Swain's rough riding, but a claim of foul lodged by Little George's rider was not allowed. The "cowboys" held full sway in the fifth race and were instrumental in causing Soprano's defeat. Alencon was also a suf-ferer by the crowding soon after the start. Neither had a chance after going a furlong.

Moquette's poor showing in the fifth race was the subject of much comment. In the closing race Redwood II., extensively supported, scored a lucky victory over Demo. The latter was much the best, but Skirvin was of little aid to him when it came to a hard drive. At that, had Austin not bumped him sharply in the final furlong, he might have Warner Griswell, the receding choice in the race, was going well near the end when he also vas interfered with. P. Dunne bid the winner \$200 over his entered price of \$500 and secured him.

In a hard fought finish Synchronized managed to beat Orlandot by a nose in the opening race. The same margin separated Lady's Man and Dunvegau. Brimmer was backed for a good thing, but ran green and was taken slightly wide, which partially accounted for his defeat.

Jockey Lee was lectured by the judges running of the third race for having cut off the others with Light Wool. Jockey D. Austin has signed a contract to ride for Ed. Alvey. W. Murray passed through Louisville enroute where he will do the starting. After that meeting he will go to Butte.

The program for tomorrow is a very good one and with Margaret Randolph, Balla, Stone River, Leta Duffy, Shawana; Colonel Jim, Douglas, Envoy, Request; County Clerk, Henry O., Red Thistle; Brimmer, Bosom Friend, Dona H.; Princess Orna, Docile and Goldway among those likely to go more fast records may be scored.

## NO MORE PLUNGING FOR WILLIAMS.

### President of the New California Jockey Club Has Not Made a Wager for Years.

"It is many years since the yellow and black of Thomas H. Williams has been seen on eastern tracks, says the San Francisco Chronicle. "In the late eighties and early nineties the colors of familiar to the patrons of Tom Williams were racing around New York and Chicago. The Californian had the pick of the Palo Alto horses, with the exception of one year, when the late L. J. Rose secured Fairy, Nomad and several other cracks. Racine ran in the colors of the California Jockey Club president when he beat the mile record over the Washington Park track, reducing the long-standing record of the famous Ten Broeck. Another stake winner campaigned by Tom Williams was Flirtation, an extremely fast filly in her two

"It was as a matchmaker that Williams gained fame. He won no end of match races. The majority of the horsemen labored under the impressio that he made a big mistake when he matched Rin-fax against Geraldine. The mare had a tremendous following and was regarded as nigh invincible Jockey Club and its president, Joseph E. Seagram.

scored dozens of victories all over the country, but Rinfax beat the daughter of Grinstead, to the complete surprise of turfmen. Tom Williams backed Charmion in her match race with Princess. Danny Miller owned Charmion at the time. He told Tom Williams that her defeat in a previous race was due to interference. The late Charley Fair owned Princess and jumped at the chance of matching her

with Charmion. The latter filly proved the winner. "Tom Williams' main reliance in the east this season will be Firestone. He is very much im-pressed with this colt and expects to win several races, bar accidents. However, if Firestone should win a dozen races, he will carry no stable money. Tom Williams has not made a bet for several years, and never expects to wager a dollar on a horse race. He was a plunger second to no one when his colors were last seen in the east. It will be a different story this year, as the California racing magnate stated only a few days ago that he never expected to again bet on a race."

### SUCCESS ATTENDS KEENE STABLE

### Thirteen Purses, Eight Stakes and \$70,829 the Record for Twenty-eight Days.

For the past three years James R. Keene has headed the list of winning owners in America and he bids fair to be at the top at the end of the season of 1907. In fact if his horses hold the form they have displayed since the beginning of season at Aqueduct April 15 there is little risk in the prediction that he will exceed his best year. 1965, when the total of his winnings in stakes and purses was \$228,724. There have been just twenty eight days of racing at the New York tracks thus far this year and in that time Mr. Keene's horses have won twenty-one races and \$70,825. This is just seven races less than he won in the entire season of 1905 and thirteen less than he won last year, when his total in stakes and purses was \$155, 519. The total of his winnings since January 1. 1904, is \$619,376, for in 1904 his horses brought him \$164,308. Here is a table of the performances of Mr. Keene's horses to date this year

### IN DEFENSE OF KOERNER.

Following the defeat of Prince Hamburg by Ale theuo in the opening race at Belmont Park Monday, the integrity of jockey Koerner was questioned by a writer on one of the New York papers. This man was taken to task for his utterances by so many reputable turfmen that the following morning he made the amende honorable by publishing the statements of these turfmen, one of which was as follows:

"I have known Koerner ever since he was an ex ercise boy and would be willing to stake my life on his integrity. It is true that he frequently gets away from the post in a bad position, but I think that can be attributed to the fact hat he has been accustomed to starting from a walk, the sys-tem in use in California. Out there, where the boy first learned to ride and where he rode all last winter, the riders are not required to come to a stand, as they are here, and Koerner doesn't seem to catch onto this system, but put him down as a dead square boy and you will have him right."

It is further stated that Prince Hamburg has, in

addition to two or three ringbones, shelly hoofs and it is necessary to race him in bar plates. Since the track was muddy Monday these plates may have had a retarding effect on the horse.

Mr. Dodds, always noted as one of the fore most orators in Canada, responded in a neat speech in which he paid a glowing tribute to
